AAA Premier Convenience With A Single Toll-Free Telephone Number

As a AAA Premier Member, you have access to all AAA North Penn products and services simply by calling a single toll-free number. AAA's Roadside Assistance and World Wide Concierge Services are available 24 hours a day, 365 days a year. Rather than dialing different numbers for different services, you now only need one number, provided exclusively to you, the AAA Premier Member.

Extended Roadside Assistance

1-888-347-2557

As a AAA Premier Member, you are entitled to one free tow of up to 200 miles per membership household, per membership year. This 200-mile tow replaces one of the four 100-mile tows that you were entitled to as a AAA Plus member.

- If any of the service calls, including the 200-mile tow, are not used during a membership year, they cannot be accumulated and carried over to the next membership year.
- As a AAA Premier Member, you may “save” your free 200-mile tow at any time during the membership year by paying the current AAA towing rates per mile on tows over 100 miles. For example, if your vehicle breaks down and needs to be towed 115 miles, it may make sense to pay the additional per mile charge for the 15 miles beyond the first 100 miles and “save” your 200-mile tow for future use during the membership year.
- For any towing distances beyond the allowable mileage limits, the member is responsible to pay for the excess mileage based on current AAA towing rates.
- A fifteen-day waiting period applies to the extended Roadside Assistance benefits for all newly enrolled or upgraded AAA Premier members.
- All roadside assistance benefits apply to your existing covered vehicles. Roadside assistance, including the 200-mile tow, cannot be used for recreational vehicles or motorcycles unless the member also maintains the AAA Premier RV membership coverage.
