Experience It! Geothermal Greenhouses

Growing food in Iceland has historically been a challenge for residents due to the cold climate, unproductive land, and at times, a lack of natural light. Discover how modern technology defies these natural challenges with geothermal greenhouses. At a family-run greenhouse, learn how they are able to harness the natural warmth from the ground's geothermic waters and use it to create a year-round Mediterranean climate. Join a horticultural expert for an insider's look at innovative growing methods used to produce a large variety of tomatoes that are able to thrive in this otherwise challenging environment.

Important Tour Information:

Book Now rates valid until Oct 10, 2026, valid on air inclusive packages only.

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Travel with an average of 37 people (maximum of 44).

****Children under the age of 12 are not permitted at Sky Lagoon and an alternative will be provided.

*If you wish to climb up the Akranes Lighthouse, there are four levels with steep pitched stairs to each mezzanine.

Whale watching cruise boats requires you have a good balance and agility to embark and disembark. The cruise sails out in the large and open fjord, and if you are prone to sea sickness, please ensure you bring appropriate medication.

In Ólafsvík, the whale watching will be aboard cruise boats which require good balance and agility to embark and disembark. The cruise sails out into a large and open fjord; travelers prone to sea sickness should take appropriate precautions.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

Appropriate clothing is critical to fully enjoying your trip. Iceland's weather conditions are ever-changing and require sturdy waterproof shoes and layers of waterproof and windproof clothing.

Most natural sites, such as waterfalls, beaches, and lava fields, require walking on unpaved, uneven surfaces that are slippery from ice and rain.

Due to long-distance travels to the Jökulsárlón Glacial Lagoon, you may expect free time after 1:30 p.m. for lunch on your own.

****During the months of April and October, the Jökulsárlón Glacial Lagoon cruise may not operate due to seasonality. This is reflected in the land price for these time periods.

**Whale watching cruises are subject to change depending on weather conditions. As we are dealing with nature, spotting whales is not guaranteed, and some species are not seen year-round.

***Puffins can usually be viewed mid-May through mid-August.

On occasion, some activities may not be available due to inclement weather.

Museum visits and shopping may be affected by the observance of religious or local holidays.

The days and order of sightseeing may change to best utilize your time on tour.

Hotel check-in on your day of arrival is 3:00 p.m. Rooms may not be available prior to that time.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

Coaches which may not be lavatory equipped may be used on this program. In this case, stops are made during travel periods. Due to the remoteness of the sites we visit, the travel time between restrooms may be up to 2 hours.

To complete your tour, we include round-trip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of *purchasing* these transfers. Please note that all transfers will leave at pre-scheduled times.

Due to flight schedules, a post night stay may be required in some Icelandair gateway cities (at an additional cost). Please inquire at time of reservation.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Please be advised, many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Due to tour scheduling, arrival flights should arrive prior to 10:00 a.m.

Prepaid tipping is not available on our tours therefore payment of customary end-of-trip gratuities for your Tour Manager, driver, local guides, hotel housekeepers, and cruise ship waitstaff should be handled individually when applicable during the course of your tour.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.
